---	--

1. Processing purposes

We use your personal data exclusively for the fulfilment of tasks resulting from the contract concluded with you or which are necessary for the initiation of a contractual relationship.

2. Categories of data

We process the following categories of data: Address data, contact data, contract and billing data.

3. Data receiver

We will pass on your data to public or other external bodies that may receive the data on the basis of legal regulations (e.g. tax authorities, tax consultants).

We will pass your contact details to a distributor if he is responsible for your region. We will then obtain separate consent from you.

Otherwise your data will not be passed on to third parties.

4. Storage duration

We store the data for a further three years after the contract has been fulfilled. If the data is then no longer required and legal storage obligations do not conflict, the data will be deleted.

5. Information, correction, deletion, data transferability, restriction of processing and objection

In accordance with the legal provisions, you have the right to have your personal data concerning you corrected, deleted and transferred, as well as to have your data processed and to object to its processing. Please send a corresponding message to the processor or the data protection officer (see contact details above). We will respond to your request immediately.

6. Right to lodge a complaint with a supervisory authority

According to art. 77 GDPR, you have the right to complain to the supervisory authority if you believe that the processing of your personal data is not lawful. The address of the supervisory authority responsible for our company is: Landesbeauftragter für Datenschutz und Informationsfreiheit Nordrhein-Westfalen, Kavalleriestraße 2-4, D-40213 Düsseldorf, Telefon: 0211/38424-0, Email: poststelle@ldi.nrw.de

7. Origin of data

Your personal data come from your order, your inquiry, your business card (trade fair contact) or they have been collected from you.

8. Automated decisions and Profiling

The techniques of automatic decision making and profiling are not applied in the area of customer and supplier data. Profiling only takes place on the STANNOL website - please see: <https://www.stannol.de/footer/datenschutz/>

9. Transfer to third countries

There is no data transfer to third countries.
